

## Fort Knox Training Barracks Ft Knox, KY

**Hunter Saak self-performs with it's sister company Hunter Modular Construction providing all installation services.**

Building Size: Approximately 122,000 square feet

Installed in 2008 ~ 124 days to complete

Returned in 2010

Owner: Fort Knox ~ US Army

This project consisted of (4) 2-Story Temporary Barracks Buildings and (10) Temporary Administration Buildings. This is another example of Hunter Modular Construction teaming with two industry leaders, Alutiiq and ModSpace, to provide instant facilities for the military.
